

Jung-Hsien Hsieh (Robert)

Dr. Jung-Hsien Hsieh (Robert) graduated from **Taipei Medical University** in Taiwan. He completed his residency training in the **Division of Plastic Surgery, Department of Surgery, National Taiwan University Hospital**, where he subsequently served as an attending physician. To further develop his expertise in hand surgery and reconstructive microsurgery, he undertook advanced clinical training at the **Christine M. Kleinert Institute for Hand and Microsurgery in Louisville, Kentucky, USA**, serving as a Clinical Fellow from August 2010 to July 2011.

He is currently an Attending Physician in the Division of Plastic Surgery, Department of Surgery, National Taiwan University Hospital. His principal clinical interests include hand surgery and reconstruction following head and neck tumor ablation, with particular expertise in microsurgical and functional reconstruction. Dr. Hsieh currently serves as a **Board Member of the Taiwan Society for Reconstructive Microsurgery** and an **Executive Board Member of the Taiwan Society for Surgery of the Hand**.
