

Dr. Yu-Te Lin

MD, MS, FACS

Current Appointments

- Chair, Department of Surgery, Chang Gung Memorial Hospital, Linkou, Taiwan
- Chair, International Master Science Program in Reconstructive Microsurgery, Chang Gung University
- Senior Consultant, Department of Plastic and Reconstructive Surgery, Chang Gung Memorial Hospital, Linkou, Taiwan
- Editor, Journal of Hand Surgery (Asian Pacific Volume)

About

Dr. Yu-Te Lin, trained at Chang Gung Memorial Hospital, Linkou, obtained board certifications in General Surgery (1997), Plastic Surgery (1998), and Hand Surgery (1999). He pursued a Research Fellowship (2001-2003) at Mayo Clinic's Orthopedic Biomechanics Laboratory, earning a Master of Science from Mayo Graduate School. With over 150 scientific articles and 10 book chapters, Dr. Lin's research focuses on hand and microsurgery. Notably, his work on arterialized venous flaps enhanced flap reliability, while his anatomical findings improved outcomes for vascularized toe PIP joint transfers. Having mentored 50+ international fellows, Dr. Lin's contributions significantly impact the field of reconstructive surgery.

Clinical Interests

- Vascularized toe joint transfers
- Extensor mechanism reconstructions
- Denervation of finger joints

Recent Publications

Book Chapters

1. Toe-to-Hand Transplantation, in Green's Operative Hand Surgery, 8th edition; Editor: Scott W. Wolfe; Publisher: Churchill Livingstone; 2021.

Journal Articles

1. Huang CW, Lin MH, Lee CH, Chen SH, Hsu CC, Lin CH, Huang RW, Lin YT*. *Vascularized toe proximal interphalangeal joint transfer in posttraumatic fingers: analysis of prognostic factors for suboptimal outcomes*. Plast Reconstr Surg Glob Open. 2023;11:e5314.
2. Peng C, Lee CH, Chen SH, Huang RW, Hsu CC, Lin CH, Lin YT*. *Stack versus Te technique for central slip reconstruction during vascularized toe proximal interphalangeal joint transfer*. Plast Reconstr Surg. 2023; Online Ahead of Print.
